Here at St Cuthbert's Hospice, our energy bills continue to rise and we know this is a concern we all share.

We need to raise **£100,000** this year to help us cover our running costs due to the increased cost of energy. St Cuthbert's Hospice prides itself on being a centre of excellence within our community, providing all-embracing and individualised care to all those affected by life-limiting illnesses, at a time and a place that is right for them.

We have therefore launched our Power Up! Appeal during the month of July, hoping to raise £100,000 to help contribute towards our increased energy costs. We know how powerful and passionate our local community are. With your help, we know we can reach £100,000.

If you have any questions please contact us by calling 0191 386 1170 Option 5 or emailing [hello@stcuthbertshospice.com](mailto:hello@stcuthbertshospice.com)
