About Us

• Our History

Our Hospice started with the local community over three decades ago, a group of Durham residents came together for a common cause. St Cuthbert's Hospice first opened its doors in 1988 to provide services, free of charge, for people with advanced illnesses, people approaching the end of their lives and those who are bereaved.

Everyone who comes to us is an individual and so their care should be individual too.

Our enabling services team includes Finance, Human Resources, Central and Governance Support and our Income Generation Team includes Fundraising, Retail, Lottery, Marketing and Communications.

We employ over 100 paid members of staff and work closely with around 400 volunteers to ensure the Hospice's efficient running. We have a Senior Management Team who are responsible for the day-to-day running of St Cuthbert's. They report regularly to the Board of Trustees.
