Our dedicated community of staff, volunteers and supporters are one of our greatest assets here at St Cuthbert's Hospice. As a member of our Hospice team, you will have the opportunity to contribute to a culture in which all those who use our services feel welcome and part of a passionate, caring and supportive community.

We provide specialist palliative and end of life care services, at a time and a place that is right for the person. As a centre of excellence within our community we provide all-embracing, compassionate, and individualised care to all those affected by life-limiting illnesses. Our services can also extend to families and carers who have a care and support role and who, in turn, could benefit from support and advise. Accessibility and high quality are some of our key objectives. Our clinical staff have the enhanced skills to deliver the specialist care across our services. For over thirty years we have put patients and those important to them at the heart of everything we do. We exist to ensure that people with life-limiting illnesses in County Durham can make every day count.

At St Cuthbert's Hospice we are committed to our staff and making the Hospice a great place to work. We offer flexible working, competitive salary, workplace pension, 33 days of paid annual leave, free on-site parking and an Employee Assistance Programme (EAP) for employees and family. Our main Hospice building is situated on the outskirts of Durham in beautiful surroundings, we also have 9 Hospice retail shops around County Durham.

Our staff and volunteers are passionate about the work that we do, and are often motivated to work at the Hospice by their desire to make a difference to local peoples' lives. If you are inspired by the work that we do and share in our values then we are confident that working at the Hospice could be a deeply rewarding career choice for you.

I hope you find this application pack useful in helping you decide whether you are right person for the role.

We look forward to hearing from you.

With best wishes,

Paul Marriott
Chief Executive.

About Us

• Our History

Our Hospice started with the local community over three decades ago, a group of Durham residents came together for a common cause. St Cuthbert's Hospice first opened its doors in 1988 to provide services, free of charge, for people with advanced illnesses, people approaching the end of their lives and those who are bereaved.

Everyone who comes to us is an individual and so their care should be individual too.

• What We Do

Our multi-professional team consists of specially trained doctors, nurses, physiotherapists, social workers, counsellors, occupational therapists, and chaplains. They work collaboratively to ensure our patients are able to discuss their needs and wishes when spending time with us.

As well as our Clinical Services, we have our Enabling Services and Income Generations teams – all working together to ensure the delivery of Hospice services. Our enabling services team includes Finance, Human Resources, Central and Governance Support and our Income Generation Team includes Fundraising, Retail, Lottery, Marketing and Communications.

We employ over 100 paid members of staff and work closely with around 400 volunteers to ensure the Hospice's efficient running. We have a Senior Management Team who are responsible for the day-to-day running of St Cuthbert's. They report regularly to the Board of Trustees.

St Cuthbert's Hospice provides free care and support to people with life-limiting illnesses, people approaching the end of life and people that are bereaved. Our specialist care teams can support people at any stage, from diagnosis, to living well with their illnesses to their last days. Whether it's helping with pain relief, supporting a loved one or just being there to listen, we understand that sometimes it's the little things that make the biggest difference.

Hospice care is quite unlike many other types of care. Our teams treat everyone as an individual, spend time learning what is important to them and focusing on delivering care suited to their wishes.

• Our Values

These define who we are and guide what we do to ensure the highest quality care for those accessing our services and the highest quality experience for staff working here. We are committed to safeguarding and promoting the welfare of adults at risk and children.

About Us
